Program Descriptions:

Birding 101- Coming in all shapes colors and sizes with amazing adaptations; learn the basics of bird ID.

Can't touch this – Jammin' with the jellies; learn about scintillating stingers that populate the waters around Vancouver Island

FFF – Fantastic Flower Finders - Small and quick moving, hummingbirds are one of the wonderful creatures we get to see at work in our own backyards. Learn more about them and how we can encourage them to come visit.

Forest Friends - Friends with benefits? That's mutualism... find out who's friendly with whom!

Getting down to 'Bees'ness - No matter which job, the life of a bee is all business. Find out which one you're most like!

Glow with the flow - Come light up the night as we explore the spectacular creatures that make the evening sparkle and glow with their bioluminescence super power.

Goldstream's Got Talent – We turn the stage over to our talented campers. It is your night to shine.

Got Garry? - Find out who the lucky inhabitants are of this very endangered ecosystem!

***GUEST SPEAKERS** – Community members and groups presenting guest programs.

Hunger Games - Decomposer and Scavenger Edition!

Local Legends – Join us for stories, myths, tales of the area.

My My Myotis - Mouse-eared flying mammals? My, My....all the facts about our furry friends!

***Parks Day** –Join us as we celebrate all parks. Events may include a campground parade, activities, Cake by Donation! Schedule TBA

Parkazoic Plants - Ever wonder what it was like thousands, even millions of years ago? Some of the parks plants know!!! Meet some plants from the parkazoic world.

Park Invaders - Aliens have invaded Goldstream Provincial Park! We need your help to send them back to where they came from!

The Great Travelers – Are you a Traveler? Frequent flyer, air mile collector? Maybe an avid camper in search of peace, nature and new horizons... you're not alone. Animals also embark on great journeys they're called migrations!

The Man in the Grey suit - Sharks! Toothy terrors or gentle giants? Come find out!

Tick Talk – It's time to have the talk about a certain arachnid in these parts

Woodpeckers – Friends or Foes of the forest! Is all that drilling destructive or important... come find out!

You Dung me Wrong - Dung beetles: their intentions are good, but they're oh so misunderstood! Come and discover why you should learn to love the dung beetle and its passion for poop!
