Accommodations at Horne Lake

NEW

“EXTRAS! EXTRAS! Read all about them!”

Our pricing in our program descriptions is for basic programming itinerary and group-site rental only. Included in this itinerary will be free-time where you are responsible for your own activities. You are also responsible for your own tents and food. For an additional cost we can provide the extras...we can book additional programming into your free-time slots and we can provide tents (two options) as well as fully catered food. If you would like more information on any of these extra options, contact us for prices and availability.

**All prices are subject to change.

Group Site Rental

We have a special reduced rate for youth groups organized by schools or non-profit societies or \$2.50+GST per night per person with a minimum charge of \$37.50+GST per night per group site. If you are participating in our sleepover programs (Survivors or Learn to Camp) your group site rental fee is included in your program fees for your students. Adult chaperones who are not paying program fees will be expected to pay a group site fee of \$2.50+GST per night.

Tent Rentals! Go BIG or Go small but Definitely Don't Go Home!

We often hear that many families no longer have tents for camping. This can be problematic when trying to take a group camping. But your camping trip can still happen and your students can have a taste of what it's like to camp in a tent! We have two different types of tents you can rent during your stay at Horne Lake Regional Park.

- Shelter Tents:** One of our group campsites at Horne Lake is set up with shelters which are large canvas tents on wooden platforms. These tents are 14x16 feet and can sleep 8+ youth. There are 6 of these tents available in the group site. If your group is interested in renting the group site with shelters there is an additional fee of \$5.50 +GST per person on top of the usual group site fee. Groups participating in one of our sleepover programs will be charged \$5.50 +GST per night per student to stay in the shelters as their group site rental fee is included in their program fees.
- Regular Pop-up Style Tents:** In our group site that does not have the shelters we can also provide pop-up style tents. We have a variety of selection of dome tents from 3-6 person tents. We have a special price for youth groups renting these tents:

| Pop-Up Tents Pricing | |
|----------------------|-------------------|
| One Night | \$15+GST per tent |
| Two Nights | \$27+GST per tent |
| Three Nights | \$35+GST per tent |
