Catering at Horne Lake

“EXTRAS! EXTRAS! Read all about them!”

Our pricing in our program descriptions is for basic programming itinerary and group-site rental only. Included in this itinerary will be free-time where you are responsible for your own activities. You are also responsible for your own tents and food. For an additional cost we can provide the extras...we can book additional programming into your free-time slots and we can provide tents (two options) as well as fully catered food. If you would like more information on any of these extra options, contact us for prices and availability.

**All prices are subject to change.
