Program Descriptions:

Getting down to "Bees"ness - Here's some things you may not know... bees perform dances, have different jobs as they grow older and can act as air conditioners in their hive! Weird eh? It gets better. Check it out tonight!

Glow with the Flow – Come light up the night as we explore the spectacular creatures that make the evening sparkle and glow with their bioluminescence super power.

Miracle's Got Talent – We turn the stage over to our talented campers. It is your night to shine!

Into the Wild – Creatures unique to Vancouver Island! We have amazing opportunities to view wildlife in their natural habitats. Can you guess what creatures live right outside our door and nowhere else in Canada?

Can't Touch this – Jammin' with Jellies; learn about the scintillating stingers that populate the waters around Vancouver Island.

Fantastic 4? Fantastic, Fast, Flower Finders... discover these small and quick moving creatures and learn how you to encourage them to visit your backyard.

The Man in the Grey Suit – Sharks; toothy terrors or gentle giants? Come find out!

Miracle Beach goes Batty - Are you scared of bats? Or do you think they are awesome? Learn more about these fascinating creatures tonight!

May the Forest be with you – feel the forces of nature as we reveal the powers of the forest.

The Spineless Ones: Do you know what a phylum is? How about an invertebrate? In a fun gameshow the answers will be revealed.

Tick Talk – It is time to have the talk about a certain arachnid in these parts.

MOVIE NIGHT - Meet at the Nature House for a movie. Snacks and drinks available to buy.

***GUEST SPEAKERS** – Community members and groups presenting guest programs

***Tour de Miracle – Special Events-** Join us for a number of different events throughout the week as we fundraise in support of Tour de Rock. We believe all kids should get to go camping and we love that Tour de Rock helps kids with cancer have a camping experience. Schedules TBA

Mountaineer Avian Rescue Society MARS - Who's mission is to conserve and protect native wildlife and its natural habitat through education and rehabilitation is here to share with you a special presentation.
