Blue Gold – Drip, drip, drop, it’s the lifecycle of the water droplet and its value is worth that of gold!

Charlotte’s Web – Learn just how amazing our local spiders are; jumping, hunting and hugging their way through our forests! Warning cute content

Beasts of the Eelgrass Sea – In beaches, bays and coves off the shores of VI, there lives a grass that grows under the salty water... the eelgrass beds are home to many creatures. Who lives there and why is it so important to the whole ecosystem?

Feeling Crabby - Sharpen your pincers and tuck in your telsons, we’ll be feeling crabby learning about amazing arthropod adaptations.

Freedom Eagle flies for freedom – How much do you know about the majestic Bald Eagle who frequents Rath Trevor’s skies? Learn about the amazing adaptations and common misconceptions of one of the world’s most famous birds.

How not to die in the woods – The forest is a wonderful place to visit, and overall, a pretty safe place to be. However, not respecting the woods can be a recipe for disaster! Learn about the hidden threats lurking in nature, and how to avoid these dangers so your outdoor adventures remain death-free.

I Can’t Believe they Built that – Who’s the greatest builder of them all? Test your building skills against some of the best architects in the animal kingdom.

It’s a Froggy Frog World – Leap in to the fascinating world of amphibians and learn why VI frogs need your help!

Jammin with the Jellies – Scintillating stingers swimming through the sea... say that ten times fast!

Symbiosis (how do I live without you) – not all animals can survive by themselves. Some team up to reach their full potential; others nibble leftover scraps or even parasitize another species! It’s symbiosis and it’s all about the incredible ways living creatures interact in nature.

Live Owl! – Come visit with our feathered friend from the North Island Wildlife Recovery Centre

Mini but Mighty – Small as they may be, there’s just no competing with these mammals! Faced with heat loss, harsh winter survival and more, these little guys just don’t give up. They’re mammals... mini but mighty!

MOSS’t be Lichen It – What’s fuzzy and green all over? Come find the answers at the MOSS’t exciting program ever! You will be LICHEN it!

MOVIE NIGHT – Movie in the park, amphitheatre style! **Snacks and drinks by donation.**

Rath Trevor’s Got Talent – We turn the stage over to our talented campers. It is your night to shine!

Twinkle Twinkle Lil’ Sea Star – Ever wonder how a sea star moves around and eats? What a sea cucumber’s purpose is? How sea urchins nearly wiped out forests? Come explore the zany world of echinoderms and find out!

The Great Travelers’ – are you a traveler? Frequent flyer? Avid camper in search of peace and new horizons? You’re not alone! Animals also embark on great journeys. Come learn the secrets of migration.

***GUEST SPEAKERS** – join us with a special guest from the community.
