28 2:30pm - JR: Let it Be 7:30pm - Beasts of the Eelgrass Bed	29 2:30pm - JR: Bear Aware 7:30pm - Twinkle Twinkle Lil Sea Star	30 2:30pm - JR: Protecting Places 7:30pm – Feeling Crabby	31 2:30pm - JR: History Hound 7:30pm - Live Owl Talk!	1 2:30pm - JR: Nature Nut 7:30pm – Blue Gold	2 2:30pm JR: Leave no Trace 7:30pm - MOVIE NIGHT	3 2:30pm - JR: Happy Hiker 7:30pm - Jammin with the Jellies

**Blue Gold** – Drip, drip, drop, it’s the lifecycle of the water droplet and its value is worth that of gold!

**Beasts of the Eelgrass Sea** – In beaches, bays and coves off the shores of VI, there lives a grass that grows under the salty water... the eelgrass beds are home to many creatures. Who lives there and why is it so important to the whole ecosystem?

**Beauty and the Beast?** We’ll reveal the differences, you’ll be the judge!

**Feeling Crabby** - Sharpen your pincers and tuck in your telsons, we’ll be feeling crabby learning about amazing arthropod adaptations.

**Freedom Eagle flies for freedom** – How much do you know about the majestic Bald Eagle who frequents Rath Trevor’s skies? Learn about the amazing adaptations and common misconceptions of one of the world’s most famous birds.

**\*GUEST SPEAKERS** – join us with a special guest from the community.

**GutBusters** – When there’s something dead in the neighborhood... who ya gonna call?

**I Can’t Believe they Built that** – Who’s the greatest builder of them all? Test your building skills against some of the best architects in the animal kingdom.

**Jammin with the Jellies** – Scintillating stingers swimming through the sea... say that ten times fast!

**Symbiosis (how do I live without you)** – not all animals can survive by themselves. Some team up to reach their full potential; others nibble leftover scraps or even parasitize another species! It’s symbiosis and it’s all about the incredible ways living creatures interact in nature.

**Live Owl!** – Come visit with our feathered friend from the North Island Wildlife Recovery Centre

**Mini but Mighty** – Small as they may be, there’s just no competing with these mammals! Faced with heat loss, harsh winter survival and more, these little guys just don’t give up. They’re mammals... mini but mighty!

**Rath of Science** - Discover Science in a whole new light, with experiments that will knock your socks off!

**MOVIE NIGHT** – Movie in the park, amphitheatre style! **Snacks and drinks by donation.**

**Rath Trevor’s Got Talent** – We turn the stage over to our talented campers. It is your night to shine!

**The Man in the Grey Suit** – Sharks! Toothy terrors or gentle giants? Come find out.

**Twinkle Twinkle Lil’ Sea Star** – Ever wonder how a sea star moves around and eats? What a sea cucumber’s purpose is? How sea urchins nearly wiped out forests? Come explore the zany world of echinoderms and find out!

**Astronomy Guest Speaker** - Explore the stars with our guest from the Royal Astronomy Society
